TRAININGS

Data Analysis

MALLA REDDY ENGINEERING COLLEGE, Hyderabad

Apr 2023 - May 2023

Attended a comprehensive and hands-on Data Analysis Workshop to enhance skills in analyzing and interpreting data. Acquired proficiency in data cleaning, exploratory data analysis, visualization, and statistical analysis.

By actively participating in the workshop, I developed a solid foundation in data analysis and expanded my proficiency in using popular data analysis tools and libraries.

It helped me in strengthening my analytical capabilities and ability to communicate data-driven insights accurately.

Python Workshop

Skilltimate Technologies, Hyderabad

Aug 2022 - Aug 2022

Participated in a comprehensive Python workshop organized by our college. The workshop focused on GUI with fundamental programming skills and practical knowledge of Python.

During the workshop, I actively engaged in interactive sessions and hands-on coding exercises to grasp Python syntax, data types, variables, control flow, functions, and file

handling. Through practical examples and guided projects, I gained experience in writing Python scripts to solve real-world problems.
